

S.No.	Name of Author	Title of paper	Name of Journal	National / International	Year
1	Dr. Anjoo Kamboj	HPTLC finger print profile of extracts from dried aerial parts of <i>Ageratum conyzoides</i> L. in different solvents	Asian Journal of Pharmaceutical Sciences	International	2011
2	Dr. Anjoo Kamboj	Hepatoprotective Activity Of <i>Sesamum Indicum</i> Linn. Against CCl <sub>4</sub> -Induced Hepatic Damage In Rats	International Journal of Pharmaceutical & Biological Archives	International	2011
3	Dr. Anjoo Kamboj	Antiviral activity of plant polyphenols	Journal of Pharmacy Research	International	2012,
4	Dr. Anjoo Kamboj	Spectrophotometric Estimation of Total Polysaccharides in <i>Xanthium strumarium</i>	IJPI's Journal of Analytical Chemistry	National	2012
5	SUNNY JALHAN	SYNTHESIS, BIOLOGICAL ACTIVITIES AND CHEMISTRY OF THIADIAZOLE DERIVATIVES AND SCHIFF BASES	Asian journal of pharmaceutical and clinical research.	National	2012
6	SUNNY JALHAN	PHARMACOLOGICAL ACTIVITIES ON <i>GLYCYRRHIZA GLABRA</i> –A REVIEW	Asian Journal of Pharmaceutical and Clinical Research.	National	2012
7	SUNNY JALHAN	VARIOUS ANIMAL MODELS TO CHECK LEARNING AND MEMORY - A REVIEW	International Journal of pharmacy and pharmaceutical sciences accepted and will be publish in July-2012.	National	2012
8	SUNNY JALHAN	PHARMACOLOGICAL ACTIVITIES OF <i>STEPHANIA GLABRA</i> , <i>WOODFORDIA FRUTICOSA</i> AND <i>CISSEMEPELOS PAREIRA</i> -A REVIEW	International Journal of pharmacy and pharmaceutical sciences	National	2012
9	SUNNY JALHAN	Animal Models for Arthritis- A Review	Research	National	2012
10	SUNNY JALHAN	Review on Current Trends and Advancement in Drugs Trends and Drug Targets for Tuberculosis Therapy- A review	International Journal of pharma and biosciences.	National	2012
11	Swati Sabharwal	<i>JASMINUM SAMBAC</i> (LINN) AIT: PRELIMINARY PHYTOCHEMICAL SCREENING AND WOUND HEALING INVESTIGATION USING TOTAL ETHANOL STE	Int. J. Pharm. Sci. Rev. Res	International	2012
12	Swati Sabharwal	Preliminary Phytochemical Investigation and Wound Healing Activity of <i>Jasminum sambac</i> (linn) ait. (Oleaceae) Leaves	International Journal of Pharmacognosy and Phytochemical Resea	International	2012
