

Sno.	Name	Paper title	National/International	Name of Journal	Year	Volume	Page no
1	Indu Bala	Development and validation of a Novel Dual Wavelength UV spectrophotometric method for the simultaneous estimation of Mycophenolate Mofetil and Prednisolone	International Journal	Journal of Applied Spectroscopy	2014	3	403-407
2	Swati Sabharwal	Jasminum sambac A Review	International Journal	INTERNATIONAL JOURNAL OF PHARMACEUTICAL RESEARCH AND BIO-SCIENCE	2013	2	108-130
3	Monika Sharma	VON HIPPEL-LINDAU (VHL) SYNDROME: A CRITICAL INSIGHT	National	Pharmatutor	2014	2	114-118
4	Monika Sharma	critical-insight-into-intricate-role-plant-hormones-in- growth-development-phase	National	Pharmatutor	2014	2	87-89
5	Rajesh Khathuriya	Pharmacognostic standardization and Phytochemical screening of <i>Vitex negundo</i> Linn.	International	World Journal of Pharmacy and Pharmaceutical Sciences	2014	3	906-15
6	Rajesh Khathuriya	An Overview of Diabetes Mellitus and Sugar Lowering Plants	International	World Journal of Pharmacy and Pharmaceutical Sciences	2014	3	456-78
7	Preeti kush	Docetaxel loaded nanoparticles for breast cancer treatment: formulation, optimization by rotatable central composite design and response surface methodology and cytotoxicity studies	International	International journal of pharma research and development	2014	5	6131-6150
8	Preeti kush	Stealth lipid coated aquasome bearing recombinant human interferon alfa to B offered prolonged release and enhanced cytotoxicity for ovarian cancer cells	International	Biomedicine and pharmacotherapy	2014	accepted	in press
9	Preeti kush	Docetaxel loaded chitosan nanoparticles: Formulation, characterization and cytotoxicity studies	International	International journal biological macromolecules	2014	69	546-553
10	Preeti kush	Aqueous Synthesis of I-Cysteine Stabilized Water-Dispersible CdS:Mn Quantum Dots	International	Bionanoscience	2013	3	95-101
