Joint Campus Placement Drive by Cummins India at CGC Landran

Chandigarh Group of Colleges takes this opportunity to invite students from all institutes to a joint campus placement drive by Cummins India Ltd for B.Tech-ME (ONLY FEMALE) students of 2014 passing out batch. The details are as follows:

About the Company
Cummins in India, a power leader, is a group of complementary businesses that design, manufacture, distribute and service engines, generators and related technologies. Its technology and pioneering initiatives bring innovative solutions and dependable services at the best possible value to users across the country. Its high performance ethic is based on customer focus, integrity and capability of its people. Part of the US $13.2 billion Cummins Inc, a Fortune 500 Company, Cummins in India is a group of eight legal entities across 200 locations in the country with combined sales of approximately Rs. 8,500 crores and employing over 11,000 individuals. In addition to the 15 manufacturing facilities, the Group has commenced production at its 300-acre Megasite project that will allow all future projects to operate from a single location.
