PARIVARTAN 2026

(Technical College Event Rule Book)

AI/ML & Cybersecurity | AI & Prompting | Robotics & Drones | Ideathon | Esports

GENERAL INSTRUCTIONS

- **Minimum Participation Requirement:** Final positions and winners will be declared depending upon the entries only.
- **Valid Fee Receipt:** Participants must retain and produce their **official fee/payment receipt** as proof of registration whenever required. Entries without valid payment confirmation may not be considered.
- **Registration:** Participation is valid only after successful registration and payment of the applicable event fee within the specified registration period.
- **Event Eligibility:** Participants must fulfil the **team-size and eligibility requirements** specified for their respective event. Changes to team members after registration closes will not be permitted unless approved by the organizers.
- **Reporting Time:** Participants must report at the **designated venue at least 15 minutes before** their scheduled event/slot.
- **Identity Verification:** Participants must carry a **valid college/institution ID card** and present it whenever requested by the organizers.
- **Organizer's Decision:** The decision of the **judging panel/event coordinators will be final** in matters related to scoring, rule interpretation, penalties, and disqualification.
- **Code of Conduct:** Participants must maintain proper discipline and sportsmanship throughout the event. Misconduct, abusive behaviour, cheating, deliberate disruption, or damage to event property may result in disqualification.
- **Originality & Fair Play:** Participants must not use unfair means, unauthorized assistance, or copied/purchased work where originality is required. Any violation may lead to immediate disqualification.
- **Equipment Responsibility:** Participants are responsible for their own personal devices, equipment, robots, drones, and other permitted materials unless explicitly stated otherwise in the event rules. The organizers will not be responsible for loss or damage to personal belongings.
- **Rule Compliance:** Participants are expected to read and understand the **specific rules of their event** before participating. Event-specific rules take precedence over general instructions wherever applicable.
- **Schedule Changes:** The organizers reserve the right to modify event timings, rounds, venues, or procedures due to operational, technical, or safety requirements. Any such changes will be communicated to registered participants.
- **Disqualification:** The organizing committee reserves the right to disqualify any participant/team found violating the event rules or engaging in unfair practices.

Category 2 — AI & Prompting

EcoSolve: Poster Challenge

An innovative scientific poster challenge on biological and biotechnological solutions for sustainable waste management.

Team Size: 1–2 members

Duration: 5-10 minutes

Format: Scientific poster presentation

Entry: Pre-registration required

Poster Size: 90 cm × 120 cm, portrait orientation (Printed Copy)

Basic Concept of the Event

Participants will identify a real-world waste-management or environmental challenge and develop an innovative Waste-to-Value solution. The proposed solution may focus on converting waste into value-added products, recovering useful resources, reducing pollution, or developing sustainable alternatives. The challenge is to demonstrate how a waste stream can be transformed into something useful, economically viable and environmentally beneficial.

Rules

1. Each team can have a maximum of 2 members and must present one original scientific poster.
2. The topic must address waste management, waste valorization, resource recovery, pollution control, or sustainability with a clear biological/biotechnological component.
3. Poster size must be 90 cm × 120 cm, portrait orientation.
4. The poster should include: Problem/Background, Objective, Proposed Solution/Methodology, Expected Outcome, Applications, Impact, Conclusion and References.
5. Each team will get 5 minutes for presentation followed by 2 minutes of Q&A.
6. The proposed solution may be at the concept, laboratory, prototype or demonstrated stage and should clearly show the Waste → Process → Value pathway.
7. Plagiarism, fabricated data, falsification, or misrepresentation of existing work will result in disqualification.
8. Participants may use AI tools for assistance, but the scientific content and originality of the work must be their responsibility.
9. Participants must report at the designated venue within the allotted time. Late submissions may not be accepted.
10. The decision of the judging panel will be final.

Note: Final positions and winners will be declared depending upon the entries only.

Judgement Criteria

- Innovation and Novelty
- Scientific Approach
- Methodology and Scientific Approach
- Feasibility & Impact
- Poster, Presentation & Q&A

Participation Fee

Rs. 100/-

Cash Prizes to the Winners:

1st Position: **Rs. 8000**

2nd Position: **Rs. 6000**

3rd Position: **Rs. 4000**
