PARIVARTAN 2026

(Technical College Event Rule Book)

AI/ML & Cybersecurity | AI & Prompting | Robotics & Drones | Ideathon | Esports

GENERAL INSTRUCTIONS

- **Minimum Participation Requirement:** Final positions and winners will be declared depending upon the entries only.
- **Valid Fee Receipt:** Participants must retain and produce their **official fee/payment receipt** as proof of registration whenever required. Entries without valid payment confirmation may not be considered.
- **Registration:** Participation is valid only after successful registration and payment of the applicable event fee within the specified registration period.
- **Event Eligibility:** Participants must fulfil the **team-size and eligibility requirements** specified for their respective event. Changes to team members after registration closes will not be permitted unless approved by the organizers.
- **Reporting Time:** Participants must report at the **designated venue at least 15 minutes before** their scheduled event/slot.
- **Identity Verification:** Participants must carry a **valid college/institution ID card** and present it whenever requested by the organizers.
- **Organizer's Decision:** The decision of the **judging panel/event coordinators will be final** in matters related to scoring, rule interpretation, penalties, and disqualification.
- **Code of Conduct:** Participants must maintain proper discipline and sportsmanship throughout the event. Misconduct, abusive behaviour, cheating, deliberate disruption, or damage to event property may result in disqualification.
- **Originality & Fair Play:** Participants must not use unfair means, unauthorized assistance, or copied/purchased work where originality is required. Any violation may lead to immediate disqualification.
- **Equipment Responsibility:** Participants are responsible for their own personal devices, equipment, robots, drones, and other permitted materials unless explicitly stated otherwise in the event rules. The organizers will not be responsible for loss or damage to personal belongings.
- **Rule Compliance:** Participants are expected to read and understand the **specific rules of their event** before participating. Event-specific rules take precedence over general instructions wherever applicable.
- **Schedule Changes:** The organizers reserve the right to modify event timings, rounds, venues, or procedures due to operational, technical, or safety requirements. Any such changes will be communicated to registered participants.
- **Disqualification:** The organizing committee reserves the right to disqualify any participant/team found violating the event rules or engaging in unfair practices.

Category 4 — Ideathon

Tech ShowCase

An open idea pitching event for both software and hardware ideas / builds — present your work to judges and the public.

Team Size: 3 members

Duration: ~5–10 min judge walkthrough per team

Categories: Software, Hardware, and Hybrid (software + hardware)

Basic Concept of the Event

An open idea pitching event, where students display ideas, working (or near-working) — apps, AI models, robots, IoT builds, research projects, anything technical — to a panel of judges and the general fest audience over the course of the day. It's part exhibition, part competition.

Rules

1. Each team registers with a short abstract (max 200 words) in advance, stating whether it's an idea, or a software, hardware, or hybrid project.
2. Teams must be present at their booth for the entire judging window; a rotating judge panel will visit each booth for a short walkthrough and Q&A.
3. Teams may bring their own demo hardware (laptops, robots, sensors, prototypes); organizers provide a table, chairs, and a power outlet per booth.
4. Live/working demos are preferred but not mandatory.
5. Plagiarized or purchased/off-the-shelf projects presented as original work will be disqualified.
6. The general public may walk through and interact with booths outside the formal judging window.

Note: Final positions and winners will be declared depending upon the entries only.

Judgement Criteria

- Innovation and originality of the idea.
- Technical depth and functionality of the working demo/prototype.
- Clarity of explanation and quality of the pitch during judge walkthrough.

Participation Fee

Rs. 150/-

Cash Prizes to the Winners:

1st Position: **Rs. 15000**

2nd Position: **Rs. 12000**

3rd Position: **Rs. 10000**
