ABOUT CGC

Chandigarh College of Education, Landran, Mohali has a rich heritage and distinction of being the first educational college near Chandigarh in Mohali. The college is affiliated with Punjabi University, Patiala, and is recognized by NCTE (National Council for Teacher Education) and Govt. of Punjab.

Chandigarh College of Education is one of the leading colleges in the region providing quality training through the well-structured academic curriculum to its students of B.Ed. ensuring a high level of proficiency and competence in their chosen career. The rich educational environment motivates every student to collaborate, share and contribute to the social, cultural upliftment of society.

We ensure that the students get competent faculty, the best infrastructure and facilities, a conducive learning environment and innumerable opportunities for a head start in their professional life. Effective pedagogies and methods are employed to train students to be competent to appear and score good marks in the state conducted Teacher Eligibility Test (TET), thus equipping them to face all kinds of challenges in their professional life. The college strives to provide students with the best employment prospects by arranging multiple job fairs each year in collaboration with several prominent schools of the Tricity (Chandigarh, Panchkula, Mohali) as well as Punjab and other parts of the country. The college aims to provide six months internships to the students in the most renowned schools of Tricity keeping up with the requirements of the students. Our objective is to develop the requisite skill, knowledge, and insight which will increase the potential of the prospective teachers to meet all kinds of challenges for better job opportunities.

WHY CCE AT CGC

- **Connect you with the educational institutes through internship and Mega placement Drives** CCE creates positive, sustainable career development opportunities for their students by giving equal weightage between theory and practice and exposure through eminent schools to improve the teaching and learning process for better placement. Internship in prominent schools of Tricity with a probability of 100% placement in the final semester.
- **Innovative curriculum and pedagogy:** Teaching and learning are conducted more interactively; students are encouraged to ask questions and classroom sessions contain more fun, creative, collaborative, and exploratory activities for students for deeper and more experiential learning.
- **Guidance for Eligibility Tests:** Our highly qualified faculty capable of providing extra classes to facilitate exams like PTET, CTET, HTET, and UGC-NET.
- **Social Services:** Various activities like blood donation camps, field trips, awareness camps, and others are organized under NSS camp and club activities to create social awareness and responsibility among students
- **Opportunity for Professional development while studying:** Certificate course in Inclusive Education and Diploma in Career and Guidance run by the same institution can be enrolled upon while doing B.Ed. and training related to the teaching-learning process keeping in view the NEP 2020 and school requirements is well transacted.
- **360-degree training programs:** The placement cell is mainly responsible for providing training throughout the program for establishing effective contacts with various organizations and arranging interviews to assist students in securing jobs. Pre-placement workshops are also organized for the benefit of students wherein placement cell officials from govt. agencies, as well as principals of private schools, are invited to guide the students regarding essential requirements for applying and getting selected in Govt. jobs and top private schools of the region
- **International collaborations:** CGC has aligned with the leading universities across the globe giving the students an added advantage of International exposure through Credit transfer, Semester exchange, Internship programs, and learning opportunities through virtual schools.
- **Blended Approach to Teaching and Learning:** We adopt the Blended Learning approach which a new mode of teaching-learning in higher education. Our Institution offers the interactive, tech-based learning, individualized pacing, and privacy that keep students continuously engaged, motivated, and support them in activities and lead discussions.

TRAINING AND PLACEMENT CELL

Chandigarh College of Education, Landran is the first college in the Northern region to have established a Training and Placement Cell for providing job opportunities to our B.Ed graduates. The placement cell is mainly responsible for providing training, establishing effective liaisons with various schools, to interviews to assist students in securing jobs.

Objectives of Pre-Placement Preparation

- To bridge the gap that currently exists between the industry and fresh professionals for recruitment purposes.
- To build confidence among students.
- To make students know the importance of Training and Placements.

The Pre-Placement activities of College include

- Communication, networking, and relationship building with the potential recruiters.
- Invitation to potential recruiters to visit the institute.
- Grooming and training of the candidates for the placements so that their chances of selection increase.
- The students are trained on aspects like :
 - Facing Interviews.
 - Facing Group Discussions.
 - Professional Resume Writing.
 - Cracking Aptitude Exams.
 - Skill Development Sessions.
 - Preparing Mock Interview Exercises.
 - Arranging Seminars and Expert Talks.
 - Basic Grammar for improving Communication Abilities.

Building Careers. Transforming Lives.

CCE delivers its mission in two ways: Internships and Placement.
