AIM HIGH

Preparing the Nation Builders and Innovators of Tomorrow!

CGC Landran has become a primary choice when it comes to youngsters choosing the best engineering college that promises an excellent academic experience and rewarding placements. It's of utmost necessity for an engineering aspirant to have a wide base of knowledge that includes the amalgamation of theoretical and practical aspects.

Academic excellence being our forte, CGC ensures having the best of brains from IITs, NIT, and other premium institutes from across the nation to teach, guide, and mentor you on your successful path toward an accomplished professional journey.

Thus, at CGC Landran, we ensure that you get the maximum exposure that can give you an edge over others and facilitate you to lead the path towards your dream placements.

Secured campus

Culturally Diverse

Proximity to smart city
Chandigarh

WHAT GIVES US AN EDGE?

Chandigarh Engineering College is ranked 139 in Engineering Category by the National Ranking Framework (NIRF 2022)

Chandigarh Engineering College was presented with a Certificate of Recognition by the Ministry of Education, Government of India under the Band "Excellent" category of Colleges/Institutes (private/self-financed) in Atal Ranking of Institutions on Innovation Achievement (ARIIA) 2021

Chandigarh Engineering College has been conferred the highest 3.5-STAR Rating by the Ministry of Education's (MoE) Institution Innovation Council and AICTE for the year 2021-22

The Controller General of Patents, Design Trademarks and Geographical Indicators, Government of India 2021 Intellectual Property India Annual Report ranks CGC Landran at the 4th position in Pan India among the Top 10 Patent filing Institutes and 3rd among the Top 5 in the field of Information Technology ahead of the IITs, other premium Institutions and IT Corporates in the country

Creating A Culture of Research & Innovation

With the establishment of the Atal Community Innovation Centre (ACIC) RISE Association, supported by AIM, NITI Aayog (Govt. of India), CGC Landran has become the center of excellence for fostering Innovation and Entrepreneurial culture among the youngsters, especially in the areas of Semi-urban and rural India.

ACIC RISE brings together startups, industry mentors, and eminent academicians from reputed institutions in India and abroad to encourage young minds, students, and innovators to undertake entrepreneurship as a career option and set up a successful venture.

What it includes:

- Co-working Space
- Futuristic Labs:
- Drone Technology
- Manufacturing Technology
- Cyber Security
- High-speed Internet and Computer Facilities
- Workshop, Competitions, and Training sessions.
- Access to World-class Labs
- Industry & Investor connect
- IPR (Patent filing) & Legal Support Services
- Peer-to-Peer Learning.
- Mentorship and Advisory Initiatives
- Funding Support

Achievements so far:

- Supported 30+ Startup Ideas
- Raised more than 1 crore seed amount
- 3000 Individuals Reached
- 7 IPRs Filed
- 40+ Knowledge Sessions
- 200+ Jobs created
- Host Institute for MSME Innovative (Incubation Component) scheme
- STI Hub for SC Community from DST

Focus Areas:

- Social Ventures
- Student Startup Ideas
- Women Entrepreneurs
- Profit Enterprises

Centre of Excellence:

- Drone Technology Lab
- Cyber Security Lab
- IBM Business Analytics
- Engine Research Lab

How CGC Landran Maintains Impeccable Placement Records?

Training and Placement Wing Mentors CGCians!

Ensuring extensive training through accomplished mentors can pave the way for students to become competent professionals who are thoroughly prepared for the corporate scenario. Our specialized department of Training and Placement caters to all such requirements and ensures the holistic growth of students.

Our 360-degree training program enhances various skill sets of students including Logical Ability, Technical competence, Communication Skills, and Personality Grooming. This infuses the much-needed confidence and proficiencies into the students, preparing them for the toughest of challenges of the professional world.

The state recognition has now turned into a PAN India appreciation as CGC LANDRAN has been bestowed with "National Employability Award 2022 by Aspiring Minds(SHL) for being amongst the top 10% colleges in India that excelled as per the promising standards of AMCAT

1500+ Internships

Internships emerge as the base of any corporate journey and we ensure that our students train with the finest companies so they get the best initial experience. Our CGCians have interned with top MNCs like Dell, Amazon, Microsoft, Birlasoft, Cognizant, and, Newgen to name a few.

Leading Recruiters Offering Promising Packages

With more than 60,000 placement offers and 6000 placement drives by far, CGC Landran has emerged as a center of excellence that provides the best employment opportunities to young minds. Students get a chance to exude their finest skills in front of the leading recruiters and carve a significant place for themselves on the professional front.

How to Apply

Students can apply for Admission through the following:

PTU Counseling: Admission is carried out on the basis of JEE ranks through online counselling conducted by PTU, Jalandhar.

LEET: Students can apply for IKG PTU counselling on the basis of diploma marks.

Application for admission to various courses to be submitted through the CGC website www.cgc.edu.in

Steps to fill Online Admission Form:

- Register online at www.cgc.edu.in to start with the admission process by clicking Apply Online button.
- Create your login ID and password by submitting the students details. Giving email ID and mobile number in the details is compulsory for easy accessibility.
- All further communication will be made on the email ID of the student.
- After logging in, ensure your eligibility and fill the admission form.
- The applicant has to ensure that the application form is duly filled with all the relevant details. If in case, the results have not been declared, the result status should be filled as 'Result Awaited'.
- Applicant shall transfer the prospectus and the college fees to the college account through Debit Card, Credit Card, Net Banking and payment partners through the CGC website.
- The student must report in the Admission Block of the college within ten days after declaration of final results and submit all the original documents along with the Admission letter to confirm their admission.
- The date of commencement of classes will be posted on the college website and students must report in the college campus on or before the said date to join the classes from the very first day.

Steps for Walk-in Admissions:

- Applicants who are coming directly to the college for admission will go through a paper admission process.
- Applicants will fill an Admission Form at the admission desk and will be required to submit their original documents along with five passport size photographs.
- The admission will be offered after eligibility check and will be confirmed after submission of the fee.

EXCITING CAMPUS LIFE

THE CLEAN AND GREEN CITY "CHANDIGARH"

As a lot of students come in leaving their hometowns from states across the country and have different perceptions about the place they are to be in for the next few years. We promise you that besides the options in Mohali you will truly cherish the proximity to the city beautiful, "Chandigarh" which will cater to all your needs be it shopping at the malls, catching a weekend movie, or looking for that perfect meal, nature walk, or just about anything to give you that much needed weekend break!
