UPGRADE YOUR HOSPITALITY
CAREER WITH MASTERS IN
HMCT

ABOUT THE PROGRAM

The global growth and expansion of tourism have opened up innumerable avenues for all departments in the Hospitality industry. It offers a range of opportunities in hospitality though most of the master's degrees are related to business subjects. The students get better placement opportunities in Industry and academics as well.

A Masters's degree in Hotel Management & Catering Technology is meant for graduates interested in pursuing a career in the hospitality industry and academics. MHMCT is a program for those already engaged in the hospitality industry or new professionals who are willing to upgrade their qualifications to gain a competitive advantage in their career or students seeking to develop an in-depth understanding of the industry and its operations.

OBJECTIVES

The course enhances the understanding of the students about Hospitality/Tourism Business & Management. The course focuses on theory and practical knowledge to develop a professional attitude and skills in students which are a prerequisite for the industry. The program aims to impart industrial insights and ethical values with a focus on hospitality/tourism management & operations.

CAREER OBJECTIVES /SCOPE

The program prepares students for top-level managerial positions in hotels, government agencies, international tourism boards, and others. The global growth and development of tourism have opened up innumerable avenues on the international stage for all departments in Hospitality and allied industries. Some of the career options one can look at after completing the Program are:

- Hotel and Restaurant Management
 - Flight Kitchens
 - Armed Forces Hospitality Services
 - Hospital and Institutional Catering
 - Faculty in Hotel Management / Food Craft Institutes
 - State Tourism Development Corporations
 - Hotel Property Development
- QSR
 - On-Board Flight Services
