## COLLABORATING WITH THE INDUSTRY'S FINEST NAMES

Alliances with the leading industrial groups and corporate houses, let students get to witness the real world and on-site technicalities of their respective fields of education. Together, we deepen their understanding by organizing industrial visits, expert talks, webinars, and activities time and again. This proves to be a thoroughly effective way of bridging the gap between Industry and Academia, making our young graduates ready to face the corporate world.

## MEETING THE CHALLENGES OF THE COVID TIMES!

As Coronavirus took over the world, it brought a whole set of challenges in respect to imparting education. Our aim was not only to safeguard the health of our students but also to ensure that their education was not hampered in any way. Thus, we introduced online teaching methods to ascertain that their learning was carried out seamlessly at home. Not only this, online events both technical and cultural were carried out so that the students were able to keep themselves fit and high-spirited.

### Education takes the Tech Route through Learning Management System powered by Google!

This online platform of Learning Management System powered by Google seamlessly enables students to attend lectures, organize student materials, get notifications of teaching schedules, take assignments, and interact with the teachers all in one place.

- Easily accessible through both desktop and mobiles
- Cloud-based and hence, no chances of data loss or security breach
- Conveniently organize study materials in one place
- Get email notification on any updates/lecture schedule
- Equipped with writing tools such as Open Board, White Board & Jam Board
- Corporate Placements
- Incredible Employment Opportunities for Unceasing Success
- Every student envisions working with their dream company post the completion of the degree and we are here to make that happen! At CGC, we invite the finest companies to organize placement drives that can confer our students with rewarding employment opportunities.
