

CHRONICLE

APRIL 2021

Chandigarh Group of Colleges, Landran in association with Civil Hospital, SAS Nagar, Punjab organized a vaccination drive against Covid-19 for the college employees in wake of the rising cases of the virus spread in and around the city. All the teaching, non-teaching as well as other staff members actively participated in the drive and appreciated the initiative taken by the College Management which is also the need of the hour and thoroughly promotes the saying – "Prevention is better than cure".

The Dept of Student Welfare organized a virtual display of the CGC students showcasing their talent during the Baisakhi celebrations. With such a splendid display during the virtual celebration of Baisakhi 2021, it was a tough task to decide on the winners. But after thorough consideration by the Department of Student Welfare, we have the list of winners!
