JANUARY 2023

BROAD SMILES, VICTORY SIGNS AND ABSOLUTE EUPHORIA MARKED THE GRAND PLACEMENT DAY CELEBRATIONS - 2023 AT CGC LANDRAN. ATTENDED BY MORE THAN 2,000 STUDENTS THE OCCASION WAS A FITTING TRIBUTE TO THE STUDENTS' HARD WORK AND CGC'S LONG-STANDING LEGACY OF EXCELLENT PLACEMENTS WITH TOP-NOTCH GLOBAL COMPANIES AT OUTSTANDING PACKAGES.

**B**road smiles, victory signs and absolute euphoria marked the Grand Placement Day Celebrations - 2023 at CGC Landran. Attended by more than 2,000 students the occasion was a fitting tribute to the students' hard work and CGC's long-standing legacy of excellent placements with top-notch global companies at

outstanding packages. Rashpal Singh Dhaliwal, President, CGC Landran expressed his pride in their achievement and congratulated them for fulfilling their dream of having a bright career. He wished them good luck for their future and encouraged them to make their alma mater proud wherever in the world they may be.

**A** session on the topic of meditation as medicine was hosted by the Department of Student Welfare at CGC Landran. It was conducted by Yogi Amandeep Singh Ji and the main aim of this session was to teach students and

teachers how to manage stress and cultivate a more positive outlook on life. Additionally, he provided faculty members and students with deep breathing meditation practices to improve their well-being.

**T**he Department of International Affairs hosted a virtual expert session for BBA department students on the topic "Sustaining Organizational Strategy with Business Intelligence" under the International speaker series. This virtual session was delivered by guest speaker, Dr. Elangkovan Narayanan Alagas from Sunway University, Malaysia. The session was organized on the topics like Business intelligence and its role in R&D, Supply Chain Management, HRM, and finance. The primary goal of this event was to make students aware of the significance of their profession in real-world scenarios.

The 3rd International Conference on Computational Methods in Science & Technology was conducted by the Department of CSE and IT at Chandigarh Engineering College (ICCMST 2022). The Chief Guest Prof. (Dr.) Shyam Sundar Pattnaik (NITTTR) Chandigarh, addressed the audience apprising them of the latest research in technology, specifically about Artificial Intelligence, Drone Technology, the role of data analytics, and multi-sensing technology. The Hon'ble Guest of Honor Dr.

Satish Kumar, Chief Scientist, Centre of Excellence for ISenS, CVSIR-CSIO, Chandigarh spoke about modeling and simulation technologies to solve real-world problems. Two International speakers Prof.(Dr.) Ahmed A. Elngar, head of the Computer Sciences Department, Faculty of Computers & Artificial Intelligence, Beni-Suef University, Egypt, and Prof.(Dr.) Daniel D. Dasig Jr College of Science and Computer Studies De La Salle University, Dasmariñas, Philippines also joined us online.

Freedom is indeed the most expensive as it came after the sacrifices of our freedom fighters, so never take it for granted. Happy Republic Day 2023! During the 74th Republic Day celebrations at CGC Landran, the flag hoisting

ceremony and NCC Cadets Parade met with patriotic slogans punctuated with huge rounds of applause by the students and faculty in attendance.

The Department of Computer Applications, CBSA, in collaboration with IIC organized an expert talk titled "Advanced Development Technologies and their Scope". The session was hosted by an experienced speaker Vikas Kumar. The main objective of the session was to provide programming knowledge using jQuery, JavaScript, Node JS, Angular JS, and React JS together with HTML and CSS. The students attended the session and also learned about the latest market requirements based on advanced web technologies.

Chandigarh College of Hotel Management provided their budding Bakers and Pâtissiers an opportunity to visit Jack Bakers for an industrial visit. Students were given information and shown the various types of equipment and utensils used in a commercial bakery. The objective of this trip was to encourage students to gain hands-on experience in the Bakery section, as well as familiarize themselves with the baking process and envision a career in the baking industry.

The students and professors spent this important day with pure enthusiasm and delight, gathered around the bonfire, enjoying the Lohri snacks, and wishing each other warm wishes. The celebration started with our President Rashpal Singh Dhaliwal and Chairman Satnam Singh Sandhu igniting the holy bonfire and extending the heartiest wishes to everyone. A

surprise element was also added to the celebrations with some of the faculties being facilitated by the Hon. Management for their outstanding work contribution over and above their regular work responsibilities during the admission session. This was followed by a lot of jovial activities and games.

A wave of exhilaration ran through the campus as the starcast of Punjabi film Kali Jotta - Neeru Bajwa and Satinder Sartaaj visited the campus for their movie promotion. Amidst the cheers and applause, the stars interacted with the students, and Satinder Sartaaj entertained everyone with a singing performance.
