SEPTEMBER 2019

19 MEDALS BAGGED BY CGC STUDENTS IN CHANDIGARH STATE POWERLIFTING & WEIGHTLIFTING CHAMPIONSHIP

189 Units of Blood Collected at CGC Landran Punjab Health Minister Commended CGC Students for Donating 189 Units of Blood

During a Blood donation camp organized at Chandigarh Group of Colleges, Landran 189 units of blood were collected under the supervision of Sohana Hospital, Mohali. All the 270 registered students were tested for immune compatibility and infectious agents. Punjab's Minister for Health and Family Welfare, Balbir Singh Sidhu while motivating and appreciating the students of CGC Landran for taking active part in the noble cause said "Blood Donation is a dignified act and each one of us must take a step forward to help the ones in need. It is one amongst those precious jewels which can't be produced in any factory."

While sharing useful insights about Blood, Dr. Gurmeet Singh, Lab Director at Sohana Hospital said, "Unlike India, which has a clear shortage of blood supply, the state of Punjab is amongst the highest proportion of excess blood units in India. This is because of the fact that the eligible donor population of Punjab is socially very active and there have been instances in the past that NGO's from other states organise camps here in Punjab to overcome the Blood shortage. The tentative life of Red Blood cells is 35

days only which is supplied to the patient either in the case of an emergency or during a planned surgery on the basis of first-in-first-out (FIFO) criterion."

Reiterating CGC's commitment towards sensitizing and inspiring students to serve the society, Satnam Singh Sandhu, Chairman, CGC Landran and Rashpal Singh Dhaliwal, President, CGC Landran, appreciated the spirit of the blood donors at the camp.

Chandigarh to become Accident-Free City

With the mission to make Chandigarh 'Accident-Free City' in the upcoming 10 years, Chandigarh Traffic Police has been organising various workshops in and around Tricity. In a recent session conducted at Chandigarh Group of Colleges, Landran the officials revealed the statistical data reflecting the decline in the number of Accidents over the past few years. According to which, in 2016, the number of accidental deaths were 151, which dropped down to 98 in 2018 and 80 is the expected

figure for the year 2019. These figures were made known to the students, faculty members, Drivers & Conductors of CGC Landran during a Road Safety Awareness Workshop held today at the college. Deputy Superintendent of police (Road safety) Jaswinder Singh shared some deep insights about Road Markings, Traffic Signs, and Traffic Lights. Practical session for the Bus Drivers and Conductors was also held which made them aware about the legal aspects of Traffic Rules.

Cultural Procession during Teachers' Day Celebration at CGC Landran

106 Faculty Members Honored at CGC Landran

Chandigarh Group of Colleges, Landran celebrated its Annual affair 'Euphoria 2019' with the exuberant participation of all the faculty members belonging to various departments. A diverse procession was witnessed which included performances like comic recitation, skit on women empowerment, traditional dance forms, devotional singing and a special feature on religious barriers. The Department of Hotel Management & Catering Technology won the 1st prize for performing a skit depicting the branches of hospitality. This was followed by a fashion show gala which crowned Sandeep Khatkar and Umag, Faculty members of Applied science department as Mr & Ms Euphoria respectively.

18 teachers were awarded the 'Best Teacher Award' citations, while 88 were honoured with 'Certificates of Excellence and Appreciation' in teaching learning process and their valuable contribution in research and innovation. Along with this, 36 Non teaching staff members were bestowed with 'Best worker' for their

dedicated and innovative approach in their specific field.

While appreciating the efforts of the team, Chairman Satnam Singh Sandhu and President Rashpal Singh Dhaliwal said, "We are grateful that CGC has become one of foremost choice of employees. We strive to make it 'the happiest place to work' and all this has been possible with sheer dedication and cooperation of the backbone of our institution: our Teachers who work together as a family."

'Breast Cancer detection' Business Idea wins 1st prize in a competition led by Curtin University, Australia at CGC Landran

Guest Lecture by Delegates from Curtin University, Australia at CGC Landran

An International guest lecture was organised by Department of International Affairs at Chandigarh Group of Colleges, Landran where delegates from its partner university, Curtin Business School, Curtin University which is an Australian Public Research University addressed the students and shared their views on 'Impact of Social Media and Artificial Intelligence on a student's career'. This was followed by a prize distribution ceremony of Business Idea competition offered by Curtin University to CGCians. Out of all the participants who submitted a short 3 minute video pitch of a unique start-up business idea, Girish Gupta and Himanshi Aplani of MBA department were declared the winners for their idea named 'She Care'- Early Breast Cancer Detection Device. Cash prize worth AUD 300 were given to them and certificates were presented to all participants.

Prof. Julia Richardson, Head of School Management, Curtin University said, "Social Media has modified the working of all core industries as 96% of employers check the profiles of their future job applicants, termed as Social Sleuthing. Thus, it has become highly significant to have a positive presence on such

platforms" Being specific to the Professional site, LinkedIn, she encouraged the students to take charge of their own careers by updating profiles and growing network on LinkedIn as 12.5% of Senior Management of the world are utilising it. She further added, "With the coming up of Artificial Intelligence, E Commerce has become the best career opportunity."

Furthermore, Michelle Sim, International Partnerships Consultant, made students of MBA, B.com and BBA aware about benefits of Credit Transfer Programs wherein students will complete a part of the degree at CGC Landran and the rest at Curtin Business School.
