APRIL 2020

SELFLESS SERVICE TO
DEFEAT CORONA

An artful expression of thoughts

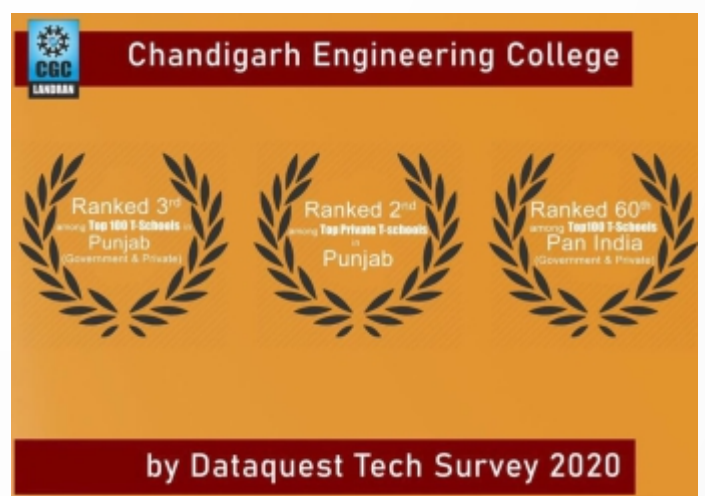

Unleashing Creativity. Giving a creative twist to household waste material and penning intriguing thoughts on the current pandemic i.e. COVID-19, our MBA students showed commendable participation in 'A Pen and Art Competition' which was organized in their department based on the theme of LockdownDiaries.

CEC adds new Laurels

Our Chandigarh Engineering College, CECCGC, has yet again attained recognition for imparting excellent education to the students. The Dataquest Tech School survey, 2020 has ranked CEC as 3rd among the Top100 T-Schools of Punjab (both Government and Private).

Not only this, it has also made it to the list of Top 100 T-Schools across the nation (both Government and Private) and has been ranked 60th.

Selfless Service to defeat Corona

The CGC CovidReliefService continues to reach out to all the dailywagers and labourer families in the vicinity on everyday basis to provide them with healthy cooked meals from the hostel mess amid the national lockdown. This initiative that kick-started almost a month back covering areas of Sector 88, Sector 94, and Village Bhagomajra. Besides that the CGC volunteers

continue to distribute cooked meals to the needy in nearby areas. The FoodvDistributionvDrive has by far visited areas of Village Raipur, Village , Village Lakhnaur, JLPL in Sector 9, Mohali, Sector 110, Sky Rock City, Mohali and Landran Chowk, and provided food boxes to the daily wagers and their families. The drive will continue to help the poor with food throughout the lockdown period.

Education to Innovation

Ayush Sharma, our BTech CSE student, has proved that he is governed by an unstoppable spirit to innovate. Having filed 5 patents so far, he is truly dedicated to bringing forth novel solutions for the betterment of society through the assimilation of latest technologies.

His patents include:

1. Tree Plantation System
2. Health Management System
3. Intelligent Human Weight Management System
4. Tile Cleaning System
5. Belongings Monitoring System

Way to go!

Nurturing Student Alumni Relationship

A) Students feel well connected with the alumni as they share a similar thought-process and common aspirations. Thus, an online Peer Mentoring Session was organized where our alumnus Jagriti Sharma, B.Tech CSE graduate, interacted with the students of B.Tech CSE and IT.

She enlisted how creating a balance between academics and extra-curricular activities can inculcate the sense of leadership, multi-tasking and perseverance that would go a long way in helping them build a career of their dreams.

Establishing a strong alumni-student relationship!

Peer Mentoring Session
conducted by our Alumni
Trivikram Narayan Singh
Interning with Walmart

A confluence of successful career stories and ideas to excel in placement drives!

Creating an environment conducive to foster alumni-student relationship for fulfilling career goals!

Peer Mentoring Session
Talk Delivered by:
JAGRITI SHARMA
B.Tech CSE (2016-2020) Alumnus
Working with Nokia

An initiative by CRC Department

B) Another Online Peer Mentoring Session was undertaken by our alumni Trivikram Narayan Singh from B.Tech CSE (2016-2020) who is presently interning with Walmart The session was organized for the students of B.Tech CSE and IT in which ,he shared various mantras to nail interviews with the leading MNC's and apprised students of the selection procedures. He also informed them of important aspects of personality development that can help them conduct themselves more confidently while appearing for interviews.

CGCQuantineTales Lets Defeat Corona Lockdown

A determined mind is always ready to face the challenges in a better way! With the announcement by our Prime Minister Narendra Modi on the extension of the national lockdown, our students sent across the message to Stay Home, Stay Safe and help the world in breaking the chain of coronavirus!

This picture perfectly portrays that even though we are physically distant yet we all must be emotionally together in these tough times.
