

CHRONICLE

NOVEMBER 2021

**PRESIDENT RASHPAL SINGH
DHALIWAL ALONG WITH THE OFFICIALS
AND FACULTY WAS
DELIGHTED TO SEE THE STUPENDOUS
PERFORMANCES AND TALENT OF THE STUDENTS.**

Given the inclination of students towards entrepreneurship, our Commerce Department under the aegis of Institutions Innovation Council organized a webinar for the B.Com & M.Com students on "Successful Cooperative Business Model for Entrepreneurs". The resource person for the webinar was Mr. Rajeev Sharma, Sr. Director National Cooperative Union of India (NCUI).

He provided in-depth knowledge to the students on the key essentials of a successful cooperative business model and acquainted them with the significance of

entrepreneurship in addressing the issues of society.

The Department of Information Technology organized an inter-departmental event 'Eminence 2k21' which was a confluence of Technical, Non-Technical, and Cultural activities. The event aimed to furbish the creative instincts of the students and gave them a platform to showcase their skills along with getting engaged in social activities.

The students enthusiastically took part in all sorts of activities that were planned for the day and the event culminated with a prize distribution ceremony.

Violence against women is a grim concern that is increasing with each passing day and this makes it truly crucial for us as an institution to ensure that our girl students are provided with proper awareness of Self Defence Techniques so they can protect themselves in case of need.

Thus, we organized yet another session on Self Defence

which was undertaken by Prabhsharan Kaur, Certified Self Defence Trainer from Nirbhay Nari Suraksha Foundation in collaboration with The Help Charitable Trust. She talked about the numerous ways in which girls can keep themselves safe and how these techniques prove to be thoroughly empowering.

Chandigarh College of Hotel Management And Catering Technology organized a workshop on Mocktails and Healthy Drinks which saw a participation of 100+ students. Mr. Sunil Kumar, Bar Manager with a Microbrewery in Mohali, conducted an interactive session. Students were made aware of the current trends of making innovative mocktails. The

workshop was very engaging and gave a delectable experience to all the attendees. Students learned how to make Classic refreshing mocktails, shakes, smoothies, and aerated drinks. More than 30 beverages including Virgin Cosmopolitan, Virgin Blue Lagoon, Virgin Bloody marry, Virgin Mojito, Daiquiri, Virgin Pina Colada, Guava Blast Watermelon Shirley temple, Kiwi Smoothie, Papaya

Shake were prepared. These beverages were beautifully presented in different kinds of glassware and garnished

with fresh fruits, take a look, we are sure you will not be able to resist them!

A myriad of activities blending technology and creativity was organized by the Department of BBA, Chandigarh Business School of Administration for its 2-day event TECHMANTHAN 2021. The event aimed to augment the knowledge of students

about the contemporary trends and challenges of this transformative era.

Students performed to the best of their abilities and stunned everyone with their creative instincts.

A grand celebration welcomed the freshers on campus as the Department Of Student Welfare hosted AAGAAZ 2K21. A plethora of jovial activities especially the Guest Appearance by RJ Karan from 93.5 Red FM and DJ Party kept the students in high spirits.

Addressing the students, Chairman Satnam Singh Sandhu said, "Looking at the bright faces and talent of the freshers, I'm certain that, once again, CGCLandran has got the best of students who will keep raising the bar of excellence.

CGCLandran's Department Of International Affairs ensures that students who wish to garner international exposure are provided with diverse options to pursue their dreams.

This time, the department conducted an Awareness session with the students of Hotel Management and

acquainted them with the various programs including CreditTransfer, SemesterExchange, Pathways, and short term summer or winter schools that can aid them in securing the best of international experience and in turn help them fetch the top placements.

A splendid celebration infused the aura of joy and enthusiasm among one and all on the campus as CGCLandran hosted Xpedition2K21 – Hunt for Talent. A myriad of activities was scheduled for the event wherein the freshers brought forward their skills and creativity.

The highlight of the day was the visit by the star cast of Punjabi flick 'Warning' Prince K.J. Singh, Dheeraj Kumar,

and Irwin Meet Kaur who added to the charm of the event.

President Rashpal Singh Dhaliwal along with the officials and faculty was delighted to see the stupendous performances and talent of the students.

The event culminated with a prize distribution ceremony and DJ Party.

On the auspicious occasion of 552nd Parkash Purab of Guru Nanak Dev Ji, we organized Guru Ka Langar on the campus. The

management officials, faculty, students, and passersby sat together as a mark of unity and relished the langar. It was a truly blissful experience for one and all.

To encourage students towards entrepreneurial initiatives and provide them with professional guidance and training towards achieving success, we have signed an MoU with Institute for Industrial Development.

The institute's Youtube channel is a reservoir of successful business documentaries that can inspire students in their endeavors.

Our Department of Biotechnology and Pharmacy in collaboration with Shalby Hospital, Mohali organized a workshop on 'Dengue Prevention and Management for the students as a measure to curb the spread of the virus. Dr. Manisha Gupta, Senior Consultant, Shalby Hospital, Mohali

undertook the session and shared the clinical and biological aspects of dengue transmission along with the important ways to cease it.

Besides this, a Free Health Check-up Camp was also conducted under the guidance of Dr. Ankush, Medical Officer, Shalby Hospital.
