

# CHRONICLE

SEPTEMBER 2021

**A**cademic Session 2021 kicked off at CGC, Landran

September 8th ,2021 introduced the new students of Pharmacy, Biotechnology HotelManagement, Chandigarh Business School of Administration and Engineering to the whole new world of opportunities at CGCLandran as it marked the initiation of the new academic session. Chairman, Satnam Singh Sandhu, President, Rashpal Singh Dhaliwal and faculty extended

a hearty welcome to the newbies and introduced them to the core academic aspects that will have a great impact on their college life.

Once again, CGCLandran ensured that even during these testing times, the new academic session kick-starts on time and there is no compromise in terms of education and safety of the students. It was a moment of immense gratitude for us to witness our CGC family grow in leaps and bounds!

**T**he celebration began as we celebrated the "Teachers Day" with Euphoria -2021 -- The Faculty Fiesta commenced with a vibrant procession by the faculty members of different departments and was followed by an array of beautiful

performances which included inspirational skits, traditional dance forms, devotional singing and a lot more.

Chairman Satnam Singh Sandhu and President Rashpal Singh Dhaliwal were all praises for the faculty, and truly appreciated their efforts in academics and also, for their adaption to the new normal.

A total of 218 faculty members of the institute were bestowed with awards on the basis of merit for their unwavering efforts through the years 2020 & 2021 under five distinct categories namely 'Certificate of Excellence', 'Certificate of Appreciation', 'Award of Special Achievement', 'Best Teacher' and a special category of 'Favourite Teacher'

Our Department of Mechanical Engineering in association with ASME (American Society of Mechanical Engineers) (ASME) India Pvt. Ltd. organized an awareness session to familiarize the students with the functionalities and benefits of being associated with ASME. The session was undertaken by Tania Rodrigues, Engineer, ASME India Pvt. Ltd. The faculty and students were elated to know the diverse opportunities that this organisation has to offer not only on the national level but also on the International sphere.

The Mega Job Mela 'Ghar Ghar Rozgar and Karobar Mission' was yet again conducted successfully at the CGC Landran campus. Employing the youth of Punjab is an incredible effort of the Punjab Government to further the progress of the State. ADC (D) Dr. Himanshu Aggarwal, IAS inaugurated the fair. SDM Sh. Harbans Singh also showed his presence at the event. More than 700 candidates

attended the Job Fair. While addressing the candidates, ADC(D) urged the youth to take maximum benefit from these Job Fairs being organized by the Punjab Government and SAS Nagar Administration to enable them to be independent as they secure employment. Some of the most renowned financial and retail companies participated in the job fair to source talent.

It was truly a delight to have Prof. Arturo Cuenllas and Ms. Chitra, Student Recruitment & Advisor Regional Sales Manager North & East India and South Asia from BHMS-Switzerland, join us for a thoroughly intriguing session on 'Role and Importance of Leadership in the Hospitality Industry Globally', which provided our Hotel Management freshmen with a novel perspective on how maintaining thorough professionalism and following the Codes of Conduct can take them to new heights of success in their career.

The students were further apprised of the specialized programs at BHMS that are available for the young

aspirants who wish to join the international hospitality landscape.

A special awareness session was conducted by Atal Community Innovation Centre ACIC, RISE Association, CEC Landran, at C-DAC Mohali on "Scope of Entrepreneurship in Drone Technology". The attendees were acquainted with the extent to which

drone technology is revolutionising businesses.

As CGC Landran is offering assistance through ACIC to the upcoming start-ups, the students were motivated to carry out their research work with us and seek help of any kind for their initiative.

We are truly honoured that all our hard work and dedication especially during the challenging time of the pandemic have

been recognised and we have received this appreciation from Asia's premier education magazine digitalLearning published by Elets Technomedia Pvt. Ltd.

Our Department of Biotechnology celebrated World Heart Day with a myriad of joyful activities and leading healthcare practitioners from renowned hospitals also joined us for numerous intriguing discussions.

The Chief Guest for the event Dr. Deepak Puri, Director CTVs, Max Super Speciality Hospital & Founder Chairman Cardiomersion delivered the keynote speech

on 'Healthy Heart', which was followed by an engaging session on 'A Guide to Healthy Heart and Smiling Heart' by Dr. Sachin Sondhi, consultant cardiologist Shalby Hospital, Mohali.

Dietitian Shreya from Shreya's Family Diet Clinic, too, delivered an informative talk on 'Dil ki Diet' and the event culminated with a relaxing Yoga session by Mr. Nitish Sharma.
