

# CHRONICLE

DECEMBER 2021

**MR. PREM SINGH, PRESIDENT, GROUP CHRO  
– JK ORGANIZATION, AND PRESIDENT,  
NATIONAL HRD NETWORK WAS PRESENT AS  
THE CHIEF GUEST AND WAS WELCOMED BY  
CHAIRMAN SATNAM SINGH SANDHU.**

It was a glorious day for our Engineering graduates as CGC hosted its 15th Annual Convocation Ceremony for the students of Class 2020 & 2021. Day 1 of the event witnessed the gleaming faces of the students, their parents, and faculty, feeling a true sense of accomplishment.

Mr. Sunil Goyal, Dy. Chief Executive Officer, Sopra Steria India & Chief Executive Officer, Sopra Banking Software India graced the occasion as the Chief Guest and was extended a warm welcome by our President Rashpal Singh Dhaliwal and other officials. Day 2 witnessed the degree conferral to the non-engineering students by Mr.

Prem Singh, President, Group CHRO – JK Organization, and President, National HRD Network was present as the Chief Guest and was welcomed by Chairman Satnam Singh Sandhu.

Day 2 of the 15th Annual Convocation was yet again a euphoric affair as the graduates of the non-engineering programs of Class 2020 & 2021 celebrated their success to the core. More than 6000 students were conferred with the degrees over the two days and more than 100 students were honored with Gold, Silver and Bronze medals.

It was a moment of utter delight for us to share that Chandigarh Engineering College marked another milestone in its glorious journey with the formal inauguration of India's 2nd Atal Community Innovation Centre (ACIC) under the aegis of Atal Innovation Mission (AIM), NITI Aayog. This inauguration was undertaken by the esteemed Dr. Chintan Vaishnav, Mission Director, Atal Innovation Mission (AIM) NITI Aayog. He was accompanied by Mr. Hardeep Singh Somal, Senior Consultant, Invest Punjab as the Guest of Honor, and Mr. Manglesh Yadhav, Program Director, ACIC, AIM NITI

Aayog.

This association is exclusively designed to build up an ecosystem of entrepreneurship and innovation to support the young minds in their creative ideas for startups that can solve societal problems.

Besides the inauguration, Day 1 also witnessed the launch of "In Quest of SDGs – An Ideathon 2021" a platform for budding researchers and entrepreneurs from across India to pitch in their startup ideas and win incredible cash prizes for their uniqueness and viability.

The joyful faces of the students dressed up to the nines were seen strolling the lanes of the campus as we hosted our annual Freshers' Extravaganza organized by the Department of Student Welfare. A myriad of activities was aligned for the day where the students showcased their talent and panache. The audience was swayed by the performances of the newbies as they exuded their charm through various art forms like Classical dance, group singing, Bhangra, Natti, Theme Based Act, and much more.

The Fashion Show stole the limelight as the freshers were seen walking the ramp in sheer elegance.

Chairman Satnam Singh Sandhu along with other officials and staff were in complete awe of the newbies and truly appreciated their confidence and brilliance. A

lightning performance by singer Arjan Dhillon added even more excitement to the joyous celebrations.

An awareness session was conducted by the Department of International Affairs for the students of BBA and Hospitality Management that apprised them of the amazing opportunities being offered by our partner institute Business and Hotel Management School (BHMS), Switzerland in terms of further studies.

Ms. Chitra Roy, International Student Recruitment Advisor and India Representative of BHMS, Switzerland visited the campus to undertake this enlightening session. Students were encouraged to experience hands-on learning at BHMS along with a chance to attain a dual degree award from BHMS Switzerland and

Robert Gordon University, UK.

To provide students with an avenue to brush up their Coding Skills and foster the spirit of teamwork, creativity, and patience among them, our Department of Computer Science Engineering, CGC COE organized include<HUNT>

The students competed against each other in two distinct activities – Treasure Hunt and Coding Contest. The top 3 winners were rewarded with cash prizes.

We continuously make efforts to ensure that we offer an immensely safe and secure campus space to our students and faculty. For this, we conducted the 5th COVID19 Vaccination Drive in association with Civil Hospital, SAS Nagar, and with the support of Shri. Harbans Singh (SDM) on the campus. The idea is to make certain that the CGCians and employees are fully vaccinated against the virus and the college premises are a protected area to be on.

In yet another attempt to provide CGCians with a plethora of learning opportunities abroad, our Department of International Affairs has collaborated with the University of North Alabama UNA, USA, and not just this, a special UNA North India Admission Desk has also been set up on campus for student facilitation.

Ms. Akali Fulmer, Associate Director, International Admission & Recruitment from University of North

Alabama USA visited the college premises to inaugurate the desk. Upon the inauguration, Ms. Akali undertook an interactive session with the CGCians to spread awareness about numerous study options which students can opt for with UNA. Further, the CGCians who have recently secured their USA study visa to join this University shared their experience during the session.

Intermingling fun with learning, our students of Mechanical Engineering undertook a study tour to Atal Tunnel Manali, Himachal Pradesh under the YUVAK scheme by the All India Council for Technical Education (AICTE) which conferred a Grant of 1.7 lakh to the ME department for this purpose.

The 3-day excursion was truly intriguing for the students

as it was a one-of-a-kind learning experience. The students were acquainted with the core engineering aspects of the tunnel. Besides this, the students also visited various temples including Vaishist Temple, Bijli Mahadev & Hidimba Devi Temple, followed by a stopover at the Mall Road.

The 3-day Inter-Departmental Badminton Tournament (Boys & Girls), organized by the B.Ed department in association with the Department of Student Welfare concluded today with a smashing win by BBA (Girls) and MBA (Boys) Departments. The runner-up departments for the day were Information Technology (Girls) and BCom (Boys). The participants exhibited a true spirit of sportsmanship during the event.

Our students of Hotel Management relived the spirit of Christmas. The department conducted a scrumptious workshop on "Theme Based Cake Decoration & Pastries, Tarts, Cookies" which enlivened the festive vibes on the campus. We also had a special guest with us Chef Dinesh Singh, Sous Chef at ITC Fortune Park Lake city by Welcome Group Thane, Mumbai (Katyani Hospitality Pvt. Ltd.) who inspired students with his culinary insight and acquainted students with the latest techniques in the bakery sphere. The students prepared an array of sweet treats including Christmas theme cake, Frangipane Tart, Jam Cookies, Gingerbread Cookies, Dundee Cake, Yule Log, and Plum

Cake.
