CGC Landran's Chandigarh Engineering College and Chandigarh College Of Pharmacy take glory in securing respectable positions in the ranking by National Institutional Ranking Framework (NIRF) 2022, Ministry of Education, Government of India. NIRF is the annual ranking for educational institutes including the IITs, NITs, and other Premier institutes/Universities across the country.

It is based on the parameters of Teaching Learning & Resources, Research and Professional Practice, Graduation Outcome, Outreach & Inclusivity, and Perception.

**C**alm and serenity were apparent on the faces of one and all who assembled to seek the blessings of the Almighty towards the start of the 22nd Academic session on the third day of Shri Akhand Path Sahib Ji.

Chairman Satnam Singh Sandhu, President Rashpal Singh Dhaliwal, and the faculty and staff members were all present during the Samapti of

Shri Akhand Path Sahib Ji, which was followed by Guru Ka Langar.

The NIRF ranking 2022 and NBA Accreditation are a testimony to our efforts and hard work. As we commence the 22nd Academic Year, I'm certain that the new and old members will collectively work towards taking our institution to further heights of success", said Satnam Singh Sandhu in his address.

With the emergence of the concept of Inclusion in the education sector, our B.Ed department organized a 3-week Summer Course on 'Education of Children with Special Needs in Inclusive Setup'. Students were made familiar with the concept, the challenges

involved, and the modifications and adaptations serving as a success in school settings.

All in all, they gained an insight into the diverse classrooms and various strategic approaches that cater to them.

We are truly elated to share that the Department of B.Sc. Nutrition and Dietetics, Chandigarh College of Hospitality, CGC Landran has signed an MOU with HerrBs (Healthy Roots Running Boots), a Chandigarh-based Diet and Fitness Consultancy.

This collaboration will facilitate knowledge enhancement of students through expert talks, workshops, and the like along with providing them with internship opportunities.

The APAC 4th Education Leadership Awards 2022 has honored the efforts of CGC Landran's distinct colleges. It indeed was a

moment of immense pride for all of us and we are truly thrilled and excited to share this.

The 5-day FDP on “Innovations, Challenges, and Preparedness for the New Education System” was conducted by Chandigarh Business School of Administration, Landran.

Lt. Col. Kailash Bansal, Director, AICTE, New Delhi joined in virtually as the Chief Guest during the inaugural. For the Guests of Honor, we had with us (virtually) Mr. Tristan Harding, Program Coordinator & Lecturer, International College of Hotel Management, Adelaide, Australia, Dr. Charlito Penilla Cadag, Honorable President of Camarines Sur Polytechnic, Philippines, and Dr. Andrey Kornilenko, HOD Education, Management, Expertise, and Research Center, Moscow, Russia.

Who doesn't love mangoes? Whether you curate some scrumptious delicacies or simply relish it in its original form, you just can't have enough of it and this is the reason why mango is considered the

On the occasion of National Mango Day, our Hotel Management students prepared some mouth-watering recipes during their summer training program. We are sure you too will drool over them.

To remember the heroic martyrs of the Kargil war and honor the men and women in the defense forces, our Department of Student Welfare commemorated 23rd Kargil Vijay Diwas. It was a sheer delight to have Lt. Gen J.S. Dhillon, VSM (Retd.) and his wife join us for the event as Chief Guests. They were accompanied by the CGC officials and faculty.

The tales of valor echoed through the auditorium and students were highly motivated to serve the nation. Students also prepared soulful performances that filled our hearts with pride and created an aura of patriotism.

Our MBA students made the most of the 45-day Summer School, a part of the internship program, organized by CBSA in collaboration with Kaizen Solutions and IFM-Fincoach.

Experts from the aforementioned firms conducted

the training sessions, which were divided into 3 parts – Digital Marketing by Mr. Vikas, Kaizen solutions, Advanced Python with Business Intelligence by Mr. Inderpal Singh, Kaizen Solutions and Banking, Financial Services & Insurance by Mr. Sukhjееv Singh, IFM Fincoach.
