

CHRONICLE

MARCH 2022

**THE 16TH ANNUAL ATHLETIC MEET TOOK
PLACE AFTER A GAP OF ALMOST TWO
YEARS DUE TO THE ONGOING PANDEMIC.**

The 16th Annual Athletic Meet took place after a gap of almost two years due to the ongoing Pandemic. With much excitement, the event started with the unfurling of our National flag which was followed by a magnificent parade by the NCC cadets and a beautiful procession by the student groups of different departments. It was a delight to have Ms. Niharika Singh, Secretary, Women's Wing,

Indian Body Building Federation join us as the Chief Guest.

The 2-day event witnessed numerous sports competitions to challenge the sportsmanship, team spirit, and perseverance of the CGCians. The two-day event concluded with the winners across categories of sports activities and the selection of the Best Athlete among boys and girls.

The Department of Computer Science Engineering organized "CODE CRAZE" to enhance the coding skills of the students. The event helped in upgrading the problem-solving skills of the students to make them perform better in technical interviews and increase their employability quotient. Winners of the cash prize in the category of "Beginner" were clinched by Aditya Pathak (CSE), "Intermediate" by Sagar Chaddha (CSE), and "Advanced" by Khem Singh (IT).

Digital Marketing imbibes humongous scope and to let students tap the opportunities, our MBA Department, Chandigarh Business School of Administration has organized a 5-day Workshop on the

aforementioned topic in collaboration with the Indian School of Digital Marketing Management & Technology. Mr. Ajay Aggarwal, Digital Marketing Trainer, and Consultant undertook this enlightening session.

These students cherished every bit of their experience in Belgium! Manik Setia (B.Tech CSE), Damunas Kalra (B.Tech ME) have shared their pictures from Thomas More Kempen University, Belgium, and Nakul Airan (B.Tech CSE) from Howest University of Applied Sciences, Belgium as they gain significant experience in the foreign land under the Semester Exchange Program. And they just don't stop here! Manik Setia (B.Tech CSE) has made us all the more proud by becoming the coordinator of the Erasmus Student Network.

Giving traditional ingredients a contemporary twist, our students of B.Sc H&HA (Final Year) curated some appetizing Millet-based recipes. This is an initiative by our Hotel Management department to encourage the consumption of nutrient-rich crop millets that are losing their sheen in recent times.

Our MBA students are extremely gratified with the VARTA series that aims to help them in choosing the apt specialization through the aid of experts. So, in yet another talk session of the Varta Series, our students were apprised of the Career Opportunities and Skills in Finance Industry. Esteemed dignitaries from Complete Circle Capital Private Limited – Mr. Gurmeet Chadha, Co-Founder & CEO, Mr. Ankush

Pahuja, Partner and Business Head, and Mr. Kshitij Mahajan, Co-Founder joined us for the session as the Resource Persons.

An intriguing Panel Discussion on womanhood and gender parity captured everyone's attention as CGCLandran hosted the International Women's Day celebration on campus. The day began with the welcoming of the esteemed Guests of Honor who further initiated the discussion and shared their valuable insights with the faculty and students.

The male faculty and staff of CGCLandran extended their heartiest gratitude to the women faculty through an array of intriguing performances on the occasion of International Women's Day. The entire day was a remarkable dedication to the women of CGC, which was cherished by them to the core, President Rashpal Singh Dhaliwal made his presence and gave away honors to the Class IV women employees.

ACIC RISE Association, CEC, Landran, signed an MoU with the Centre for Development of Advanced Computing (C-DAC), Mohali, an R&D institution under the Ministry of Electronics & Information Technology (MeitY), Govt. of India for the deployment of The C-DAC Honey-Net (Deployment of Honey-pot Sensors for Attack Data Capturing and Analysis). The incubated startups at ACICRISE will now be able to apply appropriate analysis, the deployed Honeynet system will generate the cyber threat Intelligence corresponding to the attacks captured.

Dr. Harbinder Singh, Associate Dean Research, CEC Landran, and Dr. P.K Khosla, Executive Director, C-DAC Mohali, ink an MoU.

Providing rural women with more avenues to flourish, our Department of Hotel Management and Catering Technology in collaboration with ACIC Rise Association organized a workshop at Sanghol (Fatehgarh Sahib) on 'Exploring Entrepreneur Opportunities (Millet Based) – Local Business Ideas for Women'. 60 women participated in the event which was headed by 2 of our chefs, 1 faculty and 15 students.

Recipes prepared:

1. Moong Dal, Urad Dal and Ragi Papad
2. Ready-to-serve weaning food
3. Calcium and protein supplement powder
4. Peanut butter

Day 1 of The Great Indian Book Tour, organized by our Department of Student Welfare, witnessed a magnificent start! Students were given a chance to interact with the eminent and budding authors who visited the

campus from different parts of the country. The 3-day event was aimed to let students embrace the habit of reading and writing along with encouraging the growing writers to further harness their passion.

Phase 2 of Smart India Hackathon SIH2022 Internal was conducted for the 45 student teams that were selected in Phase 1. The prototypes presented were thoroughly evaluated by the panel of Judges which include experts from

the Industry and CGC faculty. 30 student teams have been shortlisted who will now represent CGC in the Grand Finale of SIH 2022 which will be held at National Level PAN India.

Mono acts, Standup, Stage Play, Street Play, and yes, there was a special act by the students of The Dramatic Society, Shaheed Bahgat Singh Evening College Delhi University at the celebration of the World Theatre Day organized by the Department of

Student Welfare presided over by Mr. Chakresh Kumar, Director-Tagore Theatre, Chandigarh as the Chief Guest. We captured some of the most scintillating, performances, moments, applauds, and appreciations!

What an amazing Pitaara Premier night it was with the presence of the stars of the upcoming movie Lekh along with the scintillating and high-powered performances by

all the singers who had the crowd dance to their tunes. Some of the amazing captures of this fully energized evening!

To raise awareness towards the availability and access to safe water commemorating the World Water Day by the students and staff of CGCLandran the Department of Student Welfare, organized a Marathon starting from

Gurudwara Sohana to Phase VII. Take a look at some of the glimpses of the early morning run filled with energy and enthusiasm for supporting the cause!
