DEPARTMENT OF PHARMACY ORGANIZED A 2-DAY NATIONAL CONFERENCE ON PHARMACOVIGILANCE AND CLINICAL RESEARCH

Department of Pharmacy organized a 2-Day National Conference on Pharmacovigilance and Clinical Research

A 2-day National Conference on Pharmacovigilance and Clinical Research, organized by our Department Of Pharmacy in collaboration with APTI – Punjab State Branch marked its beginning on the campus. Prof. Dulal Panda, Director NIPER, Mohali graced the occasion as the Chief Guest along with Prof. Rajesh Kumar Goel, President – APTI Punjab State Branch, and Prof. Bikash Medhi, Department of Pharmacology, PGIMER who joined in as the Guests of Honor.

Dr. Sridhar Yeshamaina, Head-Global Pharmacovigilance, Hetero Healthcare Limited, Dr. Minaxi Khalaria, Director-Clinical Research, AstraZeneca, Dr. Ravi Goyal, GBU Medical Oversight Pharmacovigilance, IOVIA RDS, Dr. Shraddha

Bhange, Eversana undertook various technical sessions with the students and provided them with thorough industrial insight.

Our B.Ed Alumni were much elated to be back on the campus for a Felicitation ceremony “Soaring High” that was organized by the Chandigarh College of Education. With plenty of achievements in their kitty, they were enthusiastic to narrate their journeys and relive their moments together.

Around 100 distinguished Alumni were part of the event which was also graced by Dr. Trishanjit Kaur, Professor, and Head & Director, Constituent Colleges, Punjabi University as the Chief Guest and Ms. Anjali Chhabra, Deputy Secretary, COE, Chandigarh as Guest of Honor.

We make them visit the finest hotels so they get acquainted with the best practices that govern the hospitality sector. Our students from Hotel Management garner ample exposure throughout their program and walk out as trained professionals who are ready to take their careers to heights of success.

In a recent Industrial Tour for our students, we took them to Holiday Inn Chandigarh Zirakpur, a brand of Inter Continental Hotels Group. They were apprised of the working environment of the front office, housekeeping, and F&B services along with the

workstations, Assembly lines, & kitchen equipment.

Our B.Ed students have danced their way to an impressive victory as they participated in JSR Memorial Festival, an exclusive Dance Competition to promote new talent, at Tagore Theatre, which was organized by New Theatre, affiliated with Folklore Fraternity Federation, Punjab.

They competed against 30 other teams from Jammu, Amritsar, Bathinda, Barnala, Mohali, Chandigarh, and more and exhibited their flair

through a flawless performance on the theme of Rooh Punjab Di.

CGCians are always innovating and their inventions are largely dedicated to solving the pressing issues of society. For one such endeavor, our team of students from CSE Team Savors - Shubham Sharma, Sarthak Garg, Shashank Sharma, and Simran Gupta have grabbed the first position in the grand finale of 'Toycathon 2022, held at nodal center PIET, Haryana in the HEIs category, for their innovative creation named 'Nimble Witted Hide & Seek Game.

The students from Applied Sciences Department were taken for an industrial visit to CSIR CSIO (Council of Scientific and Industrial Research–Central Scientific Instruments Organization) wherein they learned the working of distinct instruments like Oxygen Optimizer, Double Volume Exchange Transfusion Device, FE-SEM (Scanning Electron Microscopy), Seismic sensing and AFM (Atomic Force Microscopy).

Students were also familiarized with the theories of light invention from 1015 till date. Further, a quiz competition was also held for the students based on modern inventions.

It was indeed a refreshingly joyful session for the students of hospitality who were familiarized with the intriguing art of the cocktail and mocktail mixing. This workshop on Mixology was undertaken by Mr. Gajendra Singh Rawat from MONIN India.

Together, they prepared delightful drinks that included Lemon Ice Tea, Blue Lagoon, Bloody Mary, Mojito, Daiquiri to Pina Colada, Whisky Sour, Guava Blast, and Watermelon Shirley temple. They were also apprised of the garnishing and serving techniques.

Our R&D Cell - ACIC RISE Association organized a Session on IPR Awareness under the National Intellectual Property Awareness Mission for the students and faculty.

Dr. Ashish Prabhat, Examiner of Patents and Designs, Indian Patent Office Delhi, Ministry of Commerce & Industry, Govt. of India visited the campus for this session. He talked about the various aspects of the Indian Patent & Design Act 1911, wherein he elaborated on the novelty, inventive nature, and non-obviousness criteria of filling a patent

CGC Landran's basketball team dribbled their way to victory in the Rayat-Bahra Inter-College Basketball Championship wherein 8 teams participated. They have seized the Runner-up title and were conferred with the Silver Medal along with a trophy.

We are proud of you all! Keep up your winning streak.

Our MBA students made the most of yet another Industrial Tour wherein they were taken to Baddi to visit GPI Textiles Group. They were acquainted with the production and operation management techniques that the company utilizes to carry out its day-to-day processes.

Industrial tours are one of the most cherished and impacting forms of providing students with practical exposure.

What an enticing bakery art workshop undertaken by young artistic entrepreneur & Chef Ripudaman, owner of Turban Baker Mohali, and hosted by our

Department of Hotel Management. The theme of the workshop was "Pâtisserie- a Tempted Flour Art". Here are a few glimpses of what our students learned from it!

An array of technical and non-technical events took place during the Inter-college competition Mecharena 2k22, organized by our Department of Mechanical Engineering.

Students from various Polytechnic Colleges like Indo Swiss Training Center-CSIO Chandigarh, Govt

Polytechnic, Khuni Majra, to name a few, participated. Narinder Singh Jassal Principal Scientist & Principal, Indo-Swiss Training Centre-Central Scientific Instruments Organization joined in as the Guest of Honor.

Our Hotel Management students prepared a scrumptious feast that included some of the most loved Kashmiri delicacies. From Kanth ke Sharbat and Naeed Kebab's Seeth Gandee Chutney to Sheer Khurma, every recipe was enticing. Take a look

Coding has become the top in-demand skill in today's time. It has become of utmost importance for youngsters in this field to be properly aware of Computer Programming to stay ahead in the industry.

Thus, our Department of Applied Sciences organized a Coding Competition – Code Jam to challenge the skills of its students and enrich their knowledge.

Vivek Prashar emerged in the 1st position along with Vipul Kumar who grabbed the Runner-up title.

On the final day of the National Conference on 'Pharmacovigilance and Clinical Research', hosted by our Department of Pharmacy, students were further enlightened on important aspects of the theme. A series of technical sessions were held which were undertaken by the esteemed dignitaries in this field. The day concluded with prize distribution and a valedictory ceremony. Take a look!
