

CHRONICLE

SEPTEMBER 2022

A BLOOD DONATION CAMP WAS SUCCESSFULLY HELD AT CGC LANDRAN. THE CAMP WAS INAUGURATED BY CHAIRMAN SATNAM SINGH SANDHU WHO APPRECIATED THE YOUTH AND THE STAFF FOR COMING FORWARD AND WHOLEHEARTEDLY CONTRIBUTING TO THIS NOBLE CAUSE.

Doing its bit for a humanitarian cause and for society's betterment, a Blood Donation camp was successfully held at CGC Landran. The camp was inaugurated by Chairman Satnam Singh Sandhu who appreciated the youth and the staff for coming forward and

wholeheartedly contributing to this noble cause. The camp was supported by Vishwas Foundation, Rotary Club, Kharar, GMCH, Chandigarh, Sec. 32, Blood Bank, Mohali, Blood Bank, CMC Ludhiana, Blood Bank, Roper, Kaushal Hospital, Kharar, Preet Hospital, Ludhiana, and Sohana Hospital.

Our Department of Hospitality celebrated the Rashtriya Poshan Maah or National Nutrition Month, launched by our Hon'ble Prime Minister, starting September 1. Distinct themes as proposed by the government were covered by our Department during the tenure of 1 month.

Here are the glimpses of the activity based on the theme of 'Bacha and Siksha - Poshan Bhi, Padhai Bhi'. In the activity, students of Nutrition and Dietetics curated an Herbal Garden by planting a range of medicinal plants like Ajwain, Neem, Tulsi, Insulin, Curry Leaves.

It was indeed a joyful and heart-healthy celebration of World Heart Day on the campus, organized by our Department of Biotechnology. An array of activities including Rally, Skit, Singing, Fitness Walk, and Dance captured the attention of one and all. The Chief Guest Dr. HS Bedi, Director Cardio-Vascular Endovascular & Thoracic

Sciences along with the Expert speaker Dr. Deepshika, Department of Food and Nutrition from Ivy Hospital shared their incredible insight into maintaining the health of one of the most vital organs of the body. A Medical Camp was also set up for the students and faculty.

In an incredible initiative toward protecting the environment and its valuable resources, our Department Of Student Welfare's Club Eco Minions undertook a campaign "Power Up - Every Drop Counts". The idea was to make the students and staff aware of the ways to 'Save Energy and

Save Water'. About 300 students walked a marathon and visited every department on the campus with posters and slogans. This was followed by a Nukkad Natak based on the aforementioned theme.

The Department of International Affairs in association with the Hotel Management Department organized an expert talk by Mr. Fredrick Young from Global Education Management, United Kingdom. He apprised the students of options available for industrial training in various Michelin-Star, five, and four-star hotels.

Just within the last year 18 students from HMCT have benefitted from these programs and successfully completed their internships in France. This is a great initiative to make students acquainted and equipped with the International workings for a promising career.

Our Hotel Management Department hosted a World Tourism Week celebration on the theme of Rethinking Tourism wherein students participated in an array of activities including the Rangoli Competition, Poster Making

Competition, Quiz Competition, and Content Writing Competition. Besides this, a special luncheon was also organized featuring a mix of Mediterranean and Indian delicacies.

Machine Learning is a promising sphere and youngsters can make a great career in this field with adequate knowledge and skills. Thus, to make our students well-versed with the applications, tools, and, methodologies involved in the Machine learning algorithm, our Department of Computer Applications, CBSA organized an Expert Talk, which was undertaken by Shamsher Singh Doabia, Business Developer Manager and, Sunil Kumar from ThinkNext.

Our students of B.Sc. HHA worked wonders as they tried their hand at the wholesomely delicious NavratriVrat Recipes. Our faculty Chef Varun Mishra presented the culinary techniques to the students and came up with distinct delicacies including Farali Aloo Cutlet, Samak ka Dhokla, Sabudana Khichdi, Arbi Ki Kadhi, Samak Ka Parantha, Curd Rice, Tadka Dahi, Elaichi-Kesar Nariyal Ladoo.

The students of Microbiology and Biotechnology truly cherished their Industrial Tour to one of the leading dairy products brand Verka. They gained knowledge on the functioning and operation of the milk plant like the levels of quality control, sterilization process, packaging and so on.

Our students of BCA & MCA garnered significant knowledge on utilizing a blend of Design Thinking and Critical Thinking to come up with innovative customer-centric products and solutions through an Expert Lecture that was organized by the Computer Applications Department under the aegis of IIC. Mr. Dishant Thakur from Solitaire Infosys joined us as the Resource Person.

As our Electronics And Communication Engineering department has adopted village Saidpur under the Unnat Bharat Abhiyan, the students and faculty enthusiastically visited the Government High School there to conduct a workshop. The initial part of the workshop

focused on project making and display based on electronics for the students of 9th & 10th. This was followed by a quiz. In the latter part of the workshop, a medical camp, hygiene awareness session and best out of waste activity were organized.

It was an honor to have the Millet Man Of India Dr. Khadar Valli grace the campus as our Department of Hospitality and Department of Student Welfare in collaboration with Kheti Virasat Mission (KVM) hosted 'Aahar se Arogya' that highlighted the theme 'Role of #Millets in Preventive Healthcare'.

Together with him, Umender Dutt, Executive Director, Kheti Virasat Mission, Meghna Shukla, Millets Chef & Trainer, and Gurharminder Singh, Joint Director, Directorate of Environment and Climate Change cum Nodal Officer for Mission Tanderust Punjab joined the event and shared their valuable insights. A number of millet-based stalls were also laid up on the campus.
